LOT 2564

A late 19th century Continental patinated bronze bust of Pierrette, indistinctly signed, raised on a stepped and ebonized circular wooden plinth, height 39cm.

Estimate: £150 - £250

Condition Report

2564. The surface of the bronze has an uneven varnish coating and the patina is therefore somewhat affected. There are a few areas of slight wear to the patina at the high points and a few dents to the surface of the stand.
