### Condition Report

2082. One carver has damage to the left side of central rail due to slight warp.

The other carver has some old historic woodworm which has been filled.

There is one chair that is missing a metal mount to back.

Two chairs have some repairs to leg joints and there are two others that have re-simulated legs which are probably therefore replacements. Being quite delicate there is some slight movement to some of the joints and will need attention.

Height of seat - 42cm.

Width of seat - 48cm.
