LOT 2003

A mid-19th century kingwood and rosewood cabinet-on-stand with applied gilt metal mounts, inlaid with foliate decoration and inset with Sèvres style porcelain panels, the two doors above drawers, the stand with concealed drawer, on cabriole legs, height 132cm, width 75cm, depth 48cm (some minor faults).

Estimate: £400 - £600

Condition Report

2003. Overall in good condition with numerous small losses to veneer, very small surface scratches to porcelain panels. Minor age related wear consistent with use.
