

British and Continental Ceramics / Thu, 20th October 2022 / Lot 1524

LOT 1524

A Clarice Cliff Secrets pattern conical sugar sifter, black printed Bizarre 'Crocus' mark to base, height 14cm (chip and repair to tip), together with a Clarice Cliff Fantasque mustard pot and cover (tiny chip).

Estimate: £100 - £150

Condition Report

Sifter - dark green tip broken off and visibly repaired with loss along the break line beside one of the pierced holes. Horizontal haircrack running approx halfway around the yellow band near the foot, small chip to footrim, approx 1.5cm long hairline to underside by filling hole, a few minor manufacturing blemishes to glaze, enamels good with no real wear.

Mustard - tiny nick to outer edge of foot, 2 small chips to underside edge of cover.
