LOT 1545

A Moorcroft Eagle Owl limited edition vase, circa 1990, designed by Sally Tuffin, No. 433 of 500, impressed and painted marks to base, height 31cm (extensively restored).

Estimate: £40 - £60

Condition Report

It is difficult to determine exactly what has happened, but the vase has been professionally restored. This is only noticeable by someone who knows what they are looking for. There would appear to be an area towards the base, through the leaves, which has had an issue, and then the majority of the vase would appear to have been clear sprayed subsequently.
