

British and Continental Ceramics / Thu, 20th October 2022 / Lot 1421

### LOT 1421

A Samson porcelain figural scent perfume bottle and stopper, late 19th century, modelled in the form of two kneeling Chinese ladies playing Go, the hair bun of one forming the stopper, iron red painted pseudo four-character Kangxi mark to base, height 8cm.

Estimate: £70 - £100

### Condition Report

Considering the delicate nature and intricacy of the piece it is in very good condition with no chips, cracks or restoration.

There is a minuscule glaze blemish to the sole of the left shoe of the figure wearing green - only noticeable on very close inspection.
