LOT 2008

A mid-Victorian pollard oak twin-pedestal desk, the moulded edge top inset with gilt-tooled green leather above nine oak-lined drawers, height 76cm, width 138.5cm, depth 73cm.

Estimate: £300 - £500

Condition Report

2008. Leather has some minor scuffs, and there are some overall light scuffs and marks commensurate with age. The rear side of one pedestal has three cracks and there is a section of re-veneering to the plinth of one pedestal. Old repair to thin crack on middle frieze drawer. Top lifts off as usual and handles appear to be original, but a few have clearly been attached with glue. Generally the appearance and condition is quite clean and tidy.
