

Furniture / Thu, 3rd November 2022 / Lot 2121

### LOT 2121

A modern Ekornes Stressless brown leather revolving armchair, height 98cm, width 84cm, together with a matching stool.

Estimate: £40 - £60

---

### Condition Report

2121. The chair is in reasonable condition, with a good clean the leather should come up quite nicely and should get rid of the white dots that can be seen in the images. The stool is currently detached from its base and appears to have some of the joint fixings missing, so not really in working condition.
