Estimate: £6,000 - £9,000

Condition Report

All carat weights and gradings are for guidance only, they are estimations and limited by the jewellery settings. Diamonds approx SI clarity, G colour. Total diamond weight approx 1.50-2.00ct.

Sapphire weight approx 3.80-4.00ct.

The sapphire has a small surface reaching inclusion to one end, otherwise with the odd light scratch to the facets. Shank possibly resized in the past, with a small split to the surface of the exterior of the back of the shank. An attractive ring overall.
