### Condition Report

All carat weights and gradings are for guidance only, they are estimations and limited by the jewellery settings. Total diamond weight approx 2.00ct. Principal diamond weight approx 1.00ct. Clarity approx SI, colour J/K. Surrounding diamonds are I clarity with a number of surface reaching inclusions. The rhodium plating on the ring has largely worn off, revealing the yellower tone of gold beneath. Typical scratching to the shank/setting overall. Some minor thinning to the shank.
