

Jewellery / Wed, 2nd November 2022 / Lot 675

### LOT 675

A gold, rose quartz and cultured pearl brooch, designed as a plant in a pot with naturalistic formed leaves, mounted with cultured pearls at intervals, the rose quartz pot with carved decoration, unmarked, weight 16.5g, width 4.3cm, with an associated case.

Estimate: £200 - £300

---

### Condition Report

Part of design lacking in at least two places, hence the gap in the design. Evidence of glue fixing some of the cultured pearls into position. Inclusions to the rose quartz some of which are surface reaching. Age: 20th century in a 19th century inspired design.
