

Jewellery / Wed, 2nd November 2022 / Lot 700

## LOT 700

A platinum, ruby and diamond bracelet, the centre claw set with a row of nineteen graduated oval cut rubies, otherwise claw set with circular, marquise and baguette cut diamonds, on a snap clasp, unmarked, weight 59.2g, total ruby weight approx 22.00ct, total diamond weight approx 7.00ct, length 17.8cm, with an associated Cartier case.

Estimate: £8,000 - £12,000

---

## Condition Report

All carat weights and gradings are for guidance only, they are estimations and limited by the jewellery settings. The rubies are likely to have been heat treated to enhance colour and clarity. They are generally included stones, with one or two surface reaching inclusions.

Diamonds on average are SI clarity, H/I colour. The baguette diamonds generally have a lower clarity grading than the other diamonds.

Overall in generally good condition.
