LOT 715

A pair of white gold and diamond pendant cluster earrings, each circular cluster drop mounted with the principal diamond at the centre, with a tapered bar above and single stone diamond surmount, with wire fittings, unmarked, weight 4.3g, length 4.2cm.

Estimate: £400 - £500

Condition Report

All carat weights and gradings are for guidance only, they are estimations and limited by the jewellery settings. Diamonds approx SI clarity and H/I colour. Each earring with total diamond weight approx 0.55ct. Both wire fittings are bent, one much worse than the other. The earrings would benefit from a clean. They are in a Georgian inspired design. They are unmarked white gold, testing as 16ct.
