LOT 767

A gold and steel intaglio signet ring, designed as a coat of arms in a later gold setting of 18th century inspired design, unmarked, weight 9.6g, ring size approx R1/2.

Estimate: £180 - £240

Condition Report

Some old rusting to the intaglio resulting in slight loss of definition to the armorial. Otherwise in generally good condition.

The ring has been resized in the past, with a piece of metal let in at the back, this is a slightly different colour than the rest of the piece. The piece is unmarked, with no maker's marks.
