### LOT 98

Jodicus Hondius, John Speede and John Norden - 'Sussex, described and divided' (Map of the County), early 17th century engraving with later colour, 39cm x 51cm, within a gilt frame.

Estimate: £200 - £300

---

### Condition Report

98. Some old repairs which are clearly visible on the reverse.

The central fold is repaired at the bottom and at a couple of other places and reinforced to the reverse.

Some general age toning throughout. Colours appear a little faded. Mount is not archival. Minor scuffs and scratches to frame. Unexamined out of frame.
