LOT 2135

A set of four late Victorian walnut framed dining chairs by Gillows of Lancaster, raised on fluted tapering legs, bearing stamped maker's marks to seat rails, height 90cm, width 46cm.

Estimate: £120 - £180

Condition Report

2135. One of the chairs has an old repair with two support screws through the lower rear side of the back joint but otherwise the chairs appear to be in good structural order with no other repairs or damage. There is no visible woodworm, but there is overall typical surface scuffs and wear throughout the set. The webbing has broken on the seat of one chair and there are minor faults to the upholstery.
