LOT 509

A gold and garnet five stone ring, mounted with a row of graduated oval cut garnets, detailed '375', weight 3.3g, ring size approx U1/2.

Estimate: £50 - £70

Condition Report

The decorated mount is cast. Suggested age mid to late 20th century. The garnets have a couple of tiny nicks to the facet edges but are largely in good condition. The ring has been resized in the past. Typical light surface scratching otherwise. The ring would benefit from a clean.
