### Condition Report

274. Paper is quite buckled in the mount and this has caused a little creasing. Repaired tear top-right about 4cm long. Small 1cm tear to right-hand edge. Overall age toning and signs of fading. Small stain to both top corners. Some surface dirt and detritus. No signs of foxing. Mount and backing is not archival. Frame is structurally unsound, but with only minor scuffs and scratches. Unexamined out of frame.
