LOT 433

An early Victorian silver chamberstick with urn shaped scone, the stand with foliate decorated lobed and reeded rim, flanked by a scroll handle fitted with a conical snuffer, Birmingham 1838 by Robinson, Edkins & Aston, weight 58.5g, height 6.4cm.

Estimate: £100 - £150

Condition Report

433. There is a small lead repair to handle where it meets the stand. The underside of the handle is also worn and split. Otherwise the stand and scone are in generally good condition with only typical minor surface scratches and wear. Conical snuffer is good and hallmarks match. Good clear hallmarks.
