

Jewellery / Wed, 2nd November 2022 / Lot 594

LOT 594

A 9ct gold and blue doublet five stone ring, Chester 1913, ring size approx O, a 9ct gold and red gem set five stone ring, a 9ct gold ring, claw set with two oval cut garnets (the central gemstone lacking), total weight 8.1g, and a gold, silver and colourless gem set ring, detailed '9ct & Sil', weight 2.4g.

Estimate: £120 - £160

Condition Report

Doublet ring - abrasion to doublets, one has no wear and likely replaced. Re-shanked in the past, joins obvious.
Garnet ring - central stone lacking, garnets has abrasion to facet edges, claws lacking to the central section.
Red gem ring - typical light wear to shank/setting.
Colourless gem ring - central paste has a few small chips, the coloured backing has flaked off in places on its pavilion. Typical light wear otherwise.
