LOT 739

A gold, ruby and diamond ring in a 19th century inspired design, mounted with the principal rose cut diamond within a surround of six circular cut rubies between rose cut diamond set shoulders, unmarked, weight 2.1g, ring size approx N, with a case.

Estimate: £400 - £600

Condition Report

One shoulder diamond badly chipped. Diamonds look to be approx clarity SI, with one or two surface reaching inclusions.

Rubies have some very minor nibbles and a couple of surface reaching inclusions.

Typical light surface scratching otherwise.
