

Collectors' Items, Works of Art and Light Fittings / Thu, 3rd November 2022 / Lot 2625

LOT 2625

A late 19th century Gothic ecclesiastical gilt metal ceiling light of nine-sided form with pierced decoration, suspended by link chains from a matching corona, overall height 115cm, width 45cm.

Estimate: £300 - £400

Condition Report

2625. The pierced friezes around the sides are a bit misshapen and one tip is missing. Some overall oxidization to surface of gilt and the chains are tangled up. Otherwise in reasonable condition.
