LOT 2210

A pair of 19th century and later mahogany library bookcase cabinets, each glazed door above an oak-lined drawer and a cupboard, height 240cm, width 80cm, depth 48cm (alterations).

Estimate: £800 - £1,200

Condition Report

2210. The pair of cabinets have clearly been made up from a larger bookcase, so there are old elements but not originally as they are now. The condition is generally good with a few surface marks and scuffs. There are filled holes where previous handles would have been. The sides are finished properly in mahogany.
