LOT 2229

A George III provincial oak dresser, the shelf back above three crossbanded drawers, on cabriole legs, height 215cm, width 192cm, depth 46cm (faults).

Estimate: £200 - £400

Condition Report

2229. Large crack (approx 60cm) down left side of shelf back and signs of old woodworm around that area. The support stretcher on the opposing side has snapped off, but is present. The moulding to both ends of the cornice is missing. The drawers are very loose and hard to open/close. Numerous small losses to corners of drawers and to veneer. Heavy age related wear throughout.
