LOT 94

Carl Reichert - Cats at Play on a Dressing Table, oil on panel, signed and dated 1889, 18cm x 24cm.

Estimate: £1,500 - £2,500

Condition Report

Small chips to paint to the curtain on the left and to the extremities of the panel. Previously cleaned but no significant thinning to the paint layer. Some minor surface dirt and old varnish is a little uneven. UV examination highlights areas of overpainting, predominantly to the background, including the curtain and the flowers, but also touches of overpainting to the cats too. No significant bowing to panel. Unframed.
