LOT 101

Circle of Fernando Fader - Argentinian Landscape at Sunset with Figure and House, late 19th/early 20th century oil on board, indistinctly signed recto, label verso, 18cm x 26.5cm, within a gilt composition frame.

Estimate: £100 - £200

Condition Report

Previous cleans have left the paint layer a little thin in places. UV examination highlights some small touches of overpainting throughout, particularly to the sky. The varnish is thickly and unevenly applied and might be starting to discolour. Frame with some damage and repairs, particularly to crestings. This work has not been examined out of the frame.
