### LOT 93

Alfred William Eustace - Australian Landscape with Settler's Hut, Gumtrees and Dogs, 19th century oil on gumtree leaf, signed verso, 10cm x 9.5cm.

Estimate: £150 - £250

---

### Condition Report

Small chip to leaf on the right hand edge. Another less prominent chip to the top edge. Other very minor nibbles to the edge, but generally okay. Small tear to the bottom by the stem and small split to top edge, these are only visible in certain angles and if holding the leaf up to the light. The leaf is unframed and has undulations as you would expect.
