LOT 553

A 9ct gold and amethyst bracelet, claw set with a row of seven oval cut amethysts, on a snap clasp, fitted with a safety chain, Birmingham 1978, weight 14.2g, length 17.5cm, with an associated case.

Estimate: £200 - £300

Condition Report

Maker's mark for S&P, assayed in Birmingham 1978.

The clasp is in working condition. Safety chain intact.

The amethysts have a few inclusions and some very minor light surface wear/scratching.

The bracelet is generally in good condition, with typical light wear.
