

Jewellery / Wed, 30th November 2022 / Lot 545

LOT 545

A gold, emerald and diamond rectangular pendant, mounted with the step cut emerald within a surround of circular cut diamonds, with a baguette cut diamond mounted to the suspension, detailed '..50', weight 6.9g, length 2.4cm.

Estimate: £600 - £900

Condition Report

All carat weights and gradings are for guidance only, they are estimations and limited by the jewellery settings.

Emerald weight approx. 2.50ct.

Principal diamond weight approx. 0.30ct.

There are no chips to the emerald, however there are numerous typical surface reaching inclusions which look like scratching to the surface of the stone. This is evident on the pavilion of the stone too.

The piece is generally in good condition.
