LOT 32

Joseph Milner Kite - Bretagne Scene with Women washing Clothes in a River, early 20th century oil on canvas, 53cm x 72cm, within a painted composition frame with foliate strapwork and centre and corner crestings.

Estimate: £400 - £600

Condition Report

32. Previously cleaned, restored and re-varnished. Paint a little thin in areas. Heavy craquelure throughout, but particularly to trees. Small scuff to lower left near bottom edge. Canvas is a little slack. The stretcher has buckled and caused the work to shift in the frame. UV examination highlights areas of overpainting throughout the tree section. Frame has loss of composition, mostly to the corners.
