

Cameras and Scientific Instruments / Thu, 8th December 2022 / Lot 1247

LOT 1247

A Leica IIIa camera, No. 157493, circa 1935, with Leitz Elmar f=5cm 1:3.5 lens.

Estimate: £120 - £180

Condition Report

1247. Camera in fairly good order with some scratches to top and a few minor nicks to edges. A little dusty and dirty so would benefit from a clean. Black body covering has a split to one side. Lens has some of its black interior finish chipped away and missing. The camera winds and fires.
