### Condition Report

1029. The watch winds and adjusts smoothly and is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch.

Repaired chip to dial at edge of 10 o'clock, otherwise good with no hairlines.

Case in generally good order with no significant dents or damage, but typical surface scratches and wear. Two very minor nicks to case back edge and scratches to opening areas. Hinges are good and close tightly.
