LOT 1733

A chinoiserie wine glass with faceted stem, circa 1780, the ogee bowl with gently everted rim, engraved with a Chinese figure in a landscape, above a plain diamond faceted stem and conical foot, height 15cm.

Estimate: £100 - £150

Condition Report

In good condition overall with no cracks, chips or restoration.

There is a teeny tiny uneven blemish to the rim which is more easily felt than seen and is a manufacturing issue.
