

British and Continental Ceramics / Thu, 12th January 2023 / Lot 1445

LOT 1445

A Shelley Regent shape Phlox pattern part tea service, circa 1925-45, comprising coffee pot and cover, teapot and cover, two graduated jugs, two graduated sugar bowls, four tea cups and six saucers, six coffee cups and six saucers, six side plates and sandwich plate, together with a small group of Shelley Regent shape Blocks & Bands pattern teaware, including a coffee pot and cover (minor faults).

Estimate: £80 - £120

Condition Report

Phlox - the teapot is VERY badly cracked through the base and lower body and is being held together with sticky tape, all the pieces of the teapot seem to be present. One teacup is badly cracked. Otherwise the Phlox pieces are all in good condition overall with no cracks, chips or restoration.

Blocks and Bands pieces - cake plate heavily scratched, otherwise each piece in good condition overall with no cracks, chips or restoration.
