LOT 1434

Seven bone china birds by Mack, comprising song thrush, Dartford warbler, long-tailed-tit, robin, merlin, pied wagtail and kestrel, together with a group of Russian Lomonosov porcelain animals and other pieces, including a Sitzendorf floral encrusted planter (minor faults and restoration).

Estimate: £50 - £80

Condition Report

The Karl Ens bird has been restored and the floral encrusted planter has a chip to the inner rim edge with very minor nicks to the flowers and foliage, otherwise each piece is in good condition overall with no cracks, chips or restoration.
