LOT 1498

A Copeland Spode Spode's Royal Jasmine pattern part dinner service, comprising four tureens and covers, two sauceboats and stands, four platters, twelve dinner and side plates, twelve soup plates and twelve dessert bowls.

Estimate: £50 - £80

Condition Report

Both sauce boat stands are heavily crazed and one in addition has some light staining, one tureen base has some crazing.

Otherwise all pieces in the lot are in good condition overall with no cracks, chips or restoration. The service has been used as there are some typical light knife cuts/surface scratches, but these are not untoward and there is not excessive wear of any kind.
