LOT 2047

A 19th century provincial walnut and ash rocking Windsor armchair with turned side supports and rush seat, height 99cm, width 55cm.

Estimate: £30 - £50

Condition Report

2047. Four of the five slats below the top rail are damaged and have had amateur repair. Repair to rear right arm involving nails and flat head screw. The rush seat and the rocker rails are later replacements.
