### LOT 636

A gold ring, collet set with an oval cornelian intaglio, detailed 'Le.Pas.Et.Amour' above a cherub, unmarked, weight 6.7g, ring size approx T1/2.

Estimate: £140 - £180

### Condition Report

The cornelian has no cracks. There are generally some small nicks to the edges of the lettering, with some light scratching to the surface of the stone overall.

The shank has been resized. Slight thinning to the back of the shank.

There looks to have been a small repair to the central support of one of the V shaped shoulders where it joins the head of the ring.
