### Condition Report

2200 - The chest has some overall repairs to veneers, as you would expect, including edges of carcass and front of brushing slide. The handles and escutcheons are replaced leaving some fairly discreet filled in holes on the fronts of the drawers. There have been some repairs to sections of the feet and also some to the drawer runners. The top has some small cracks and slight lifting to areas of the veneer, as well as some wear and scratches to polish. Some sections of crossbanding replaced.
