

Jewellery / Wed, 18th January 2023 / Lot 654

### LOT 654

A single row necklace of thirty-nine graduated oval varicoloured butterscotch coloured semitranslucent amber beads, on a base metal boltring clasp, gross weight 65.1g, length of longest bead 2.4cm, length of smallest bead 1.6cm, a single varicoloured semitranslucent amber bead pendant, length of bead 3.2cm, with a 9ct gold multiple link neckchain, weight 3.8g, length 51cm, and a single row necklace of graduated oval treated translucent amber beads.

Estimate: £200 - £300

### Condition Report

Semitranslucent amber beads - some loss of polish, areas of rubbing to a few of the beads, one or two chips to the drill holes, the clasp needs replacing and we would recommend re-stringing. Total weight 65.1g.

Amber pendant - a few chips near the drill holes, total weight including chain 13.3g.

Treated translucent amber beads - needs re-stringing, threads are loose at one end, one or two beads are rubbed and have loss of polish as a result. Total weight 42.4g.
