LOT 121

Bartholomeus Breenbergh - View of the Ruins of the Aqueduct of Mezza Via near Rome, etching on laid paper, published for 'Verscheidene Vervallen Gebouwen in en rond Rome' circa 1640, 10.5cm x 6.5cm, within a gilt and faux wood frame.

Estimate: £80 - £120

Condition Report

121 - There is a light crease to the top left corner. Some blue ink showing through from reverse under strong lights. Small stain to top edge. Light age toning throughout. Adhered to mount board with tape at each corner. Mount damp stained but this has not affect the print. Frame damaged to top right corner along with some other scuffs.
