LOT 2605

A 19th century amboyna and brass inlaid Swiss music box, the lever-wind mechanism playing a 33.5cm cylinder, the movement stamped '1201', width of case 54cm.

Estimate: £200 - £400

Condition Report

2605. The box seems to be in working order and there are no teeth missing from the comb. The movement appears to be very clean the the plate that it sits on is possibly replaced. No tune sheet.

The case is in reasonable condition, but has a slight bow to the lid and a replaced piece of stringing to the right front corner, poorly replaced with grey metal. Other areas of slight lifting to brass inlay and some overall surface wear to stringing.
