### Condition Report

There is some damage to the blue enamel of the buckle motif and the heart shaped strap terminal.

Bracelet is starting to breakdown at the back, it is almost detached by the clasp.

Traces of engraved code marks at the back of the tongue of the clasp.

Hook of buckle distorted and frame underneath is bent.

Otherwise generally a little dirty and would benefit from professional cleaning.

The case hinge has broken off and there is damage to the woodwork at the bottom section of the case.
