### LOT 696

A 9ct gold, ruby and diamond bracelet, each link claw set with a central oval cut ruby between a pair of circular cut diamonds, on a sprung hook shaped clasp, weight 6.8g, length 19.8cm.

Estimate: £140 - £180

### Condition Report

In generally good condition, clasp in working order.

The rubies are likely treated to enhance colour. They are generally fairly included stones and fairly opaque.

The piece would benefit from a clean, the diamonds are currently quite subdued as a result.
