LOT 535

An 18ct two colour gold, emerald and diamond cluster pendant, claw set with a pear shaped emerald within a surround of circular cut diamonds, London 1996, length 1.8cm, with an 18ct gold curblink neckchain on a boltring clasp, length 45.5cm, total weight 4g, with a Mappin & Webb case and box.

Estimate: £1,200 - £1,600

Condition Report

The piece is in generally good condition, all claws present and stones look to be secure in their settings. The emerald is natural and has some typical inclusions which do not appear to be surface reaching. However, we cannot guarantee that the stone has not been treated to enhance colour and clarity.
