LOT 737

A gold, opal and diamond ring, collet set with the oval opal between two trefoil shaped motifs, mounted with rose cut diamonds, otherwise with rose cut diamond set two stone shoulders, unmarked, fitted with a sizing band, weight 3.8g, ring size approx K1/2.

Estimate: £70 - £100

Condition Report

The opal has had a couple of knocks to the surface, one looking like a deep scratch. Some general scratching to the surface otherwise.

Opal approx. 9mm x 7mm

The diamonds are slightly subdued in appearance, will probably improve once cleaned as rather dirty at present.

Typical light wear otherwise to the ring.
