## Condition Report

The sapphire is of dark colour saturation. It is also greenish/blue in colour with some obvious colour zoning when viewed in certain lighting conditions.

There are a few nicks and slight abrasion to the sapphire in places, largely noticeable when viewed under a 10x loupe.

Estimation of diamond gradings are for guidance only and limited by the setting:

Overall clarity SI, overall colour I-J

Sapphire weight approx. 2.20-2.30ct.

Total diamond weight approx. 0.80-0.90ct.

Otherwise slight typical wear to the shank/setting.
