

Jewellery / Wed, 15th February 2023 / Lot 552

LOT 552

A 9ct gold and peridot three stone ring, the principal oval cut peridot mounted to the centre, with decorated shoulders, London 1976, ring size approx O1/2, a 9ct gold and sapphire seven stone half hoop ring, total weight 5.1g, and a gold and garnet ring, the mount with scroll pierced sides, unmarked, weight 3.7g.

Estimate: £120 - £160

Condition Report

Peridot ring - heavy abrasion to facet edges of peridots

Garnet ring - one garnet with large chip, though largely hidden by claws, resized in past

Sapphire ring - one end sapphire possibly replaced, lighter colour than the others

All rings with typical light wear.
