Condition Report

1053 - The watch is in very good condition with only typical very minor surface scratches visible under magnification. Crown/winder screws down tightly.

The watch winds and adjusts smoothly and date rolls over like it should, but please be aware we give no guarantees to working order or reliability of any clock or watch.

The wrist measurement for the inside of the bracelet is approx 17cm. There is also 3 extra unused links with the watch which would add an extra 3.5cm to the bracelet if required.
