Condition Report

1058 - The watch is in generally good condition with no significant issues. Typical light surface scratches and wear to case. Glass with some scratches but no cracks. The dial is in generally good order but does have some minor scratches, marks and wear. Dial is detailed 'Swiss Made' around bottom edge. The movement winds and adjusts smoothly and is currently running but please be aware we give no guarantees to working order or reliability of any clock or watch. The chrono features are also in good working order with both centre seconds and sub dial returning to 12 o'clock/vertical positions.
